

**This may be
tomorrow's
lifeline
for millions!**

If the worst *should* happen . . . if America *should* be attacked . . . if atom bombs *should* fall with all their fury . . . would there be enough blood available for the millions who would need it?

The answer must be yes . . . and in time it *can* be yes . . . if you help *now* through your Red Cross.

Your Red Cross has been given the responsibility for planning, operating, and coordinating a nationwide blood program for the armed forces and for civil defense.

Money, as well as blood, is needed. Won't you give, and give generously, through your Red Cross?

Mobilize for defense + give now!
